DODGE CITY, KANSAS, THURSDAY, JUNE 3, 1909

THIRTY-FIRST YEAR, VOL. XXXII, NO. 36

THE GRADUATES

CLASS OF TWENTY-TWO IN
THE HIGH SCHOOL CLASS
OF 1909.

ANNUAL COMMENCEMENT

Held Last Friday Night at
Gluck's Opera House—Ad-
dress by Professor
Boynton.

Last Friday evening in a beautiful
bower made of blue and white stream-
ers and a pyramid of potted plants
on the stage in Gluck's opera house,
sat the largest graduating class in
the history of the Dodge City High
School.

MISS JOSEPHINE GROBETY
Member Class 1909, Who Finished the Course
in Washington, D. C. Schools.

The opera house was filled to the
utmost, the music ideal and nothing
but success met each number of the
program, giving every one the im-
pression that there was "nothing but
good" in store for each of the twenty-
two members of the class.

The opera house was decorated in
an unusually pretty manner. The
boxes on the right side of the stage
were strung with garnet and cream
ribbons, the colors of the Junior
class. The left box was filled with a
ribbon bell of orange and black, the
colors of the Sophomores.

The salutatory address was given
by Jay Andrews, and Prof. Arthur
Boynton, professor of Economics at
the Kansas State University, gave a
very able address on the "Require-
ments of Satisfactory Citizenship." The
valedictory was given by Miss
Nellie Carter, who deserves unusual
credit for being at the head of her
class as she completed the four years
course in two.

Sam Wilkinson favored the class
with a solo in his usual pleasing man-
ner.

The members of the graduating
class were: Jay Andrews, Nell Ar-
gabright, Edna Baker, Clark Bruing-
ton, Ida Carson, Lenore Hubst,
Helen Jastatt, Mina Jones, Fred
Kirkpatrick, Hattie Locke, Frances
Meairs, Gussie Mootz, Louvie Mur-
rell, Lloyd Reudy, Helen Ripple,
Nora Stubbs, Minnie Stubbs, Cath-
rine Sughrne, Lena Vencill, Nellie
Carter, Henry and Zora Snyder.

Miss Jennie Clark took the school
work with the class, but went to
Junction City to graduate with her
home class.

One of the bright members of the
class of 1909, who did not finish the
course with the others is Miss Jo-
sephine Grobety, daughter of Mr.
and Mrs. Geo. Grobety. Miss Gro-
bety went with her parents to Wash-
ington, D. C., two years ago and was
admitted to high school there on her
grades from the Dodge City schools.
She is in the graduating class there
and is ranked among the best of the
class. In some of her studies her
teachers say she ranks first. The
showing she has made there is a high
compliment both to her as a pupil,
and to the schools of Dodge City

where she took the first two years of
the course.

Warren J. Crumbine, a former
member of the class of 1909 here,
has been living in Topeka, and is
among the graduates of the Topeka
High School this year, and is another
Dodge City pupil who has made a
good showing in a larger school.

DEATH OF MR. MANN.

Dodge City Photographer Passed Away at
Topeka Friday. Funeral Held Here
Monday Afternoon.

R. M. Mann, the Dodge City pho-
tographer, died at Christ's Hospital
in Topeka last Friday morning, May
28, and his body was brought home
for burial on Saturday evening. The
funeral services were held from the
home of Mr. and Mrs. Ed Hood on
Monday afternoon at 2:30 o'clock,
conducted by Rev. Cummings, of the
Methodist church.

Mr. Mann came here from Alma,
in Wabunsee of this state four or
five years ago. He was in bad health
even then and made the change in
the hope of improving his physical
condition. Soon after reaching here
he opened a photograph gallery
which he conducted until a short
time ago when his health forced him
to take a vacation. Three weeks
before his death he went to Alma to
visit relatives, and soon after arriv-
ing there was taken much worse, suf-
fering a mental breakdown. He was
taken to Christ's Hospital at Topeka.
The day of his death Mrs. Mann vis-
ited him as usual, and he seemed to
be improving. He was perfectly ra-
tional, but suddenly complained that
it was hard for him to breathe, then
sank rapidly and died in a short time.
Mr. Mann was 49 years of age. His
wife, who survives him, will continue
to conduct the photograph business
which they had built up together in
Dodge City.

ANOTHER ROUND UP

Dodge City Shriner's Looking Forward to
Another Large Crowd of Novice's
for Initiation

The ears of the faithful are ever
open to the words of wisdom, and in
this connection it may be well to
state, that emboldened by the im-
mense success of their former ven-
ture, and in compliance with the
seemingly ardent desire of numerous
prospective candidates, the Shriners
of Dodge City and the territory con-
tingent thereto have in contemplation
the making of another effort to induce
the Officials of Isis Temple to round
up the customary herd of drome-
darys, and head them towards the
peaceful shores of the mighty
"Arkansas," there to chew the cud
of contentment, which might or
might not be composed of a mixture
of sand and sage-brush, while their
drivers, in their own quiet way, pay
due attention to the not very difficult
task of making it interesting to some
hundred or more would be Sons of
the Desert.

Owing to the extremely torrid
character of the sands in this section,
it is not expected that this move will
be undertaken until somewhat later
in the season, when the fall zephyrs
have had a chance to cool the parched
desert. This suggestion will, of
course, be solely and entirely in com-
pliance with the desires of the Nov-
ices, who insinuate, that in order to
fully comprehend the beauties of the
scenery through which they may be
conducted, it will be more pleasing to
their tired feet, and other portions of
their anatomy, if the mercury is not
too high and the sands too hot, while
they journey down the Nile. Should
this plan be carried out due notice
will be several, and ample time given
to all interested parties, so that it can
be made another grand success.

Commercial Club Meeting.

There will be a meeting of the
Commercial club on Friday evening
at the Phoenix club rooms, to arrange,
for meeting the members of the Sa-
lina and Wichita commercial clubs
who will be here in special trains
next week.

MEMORIAL DAY

NEARLY ENTIRE DAY LAST
SUNDAY TAKEN UP WITH
MEMORIAL OBSER-
VANCES.

BEGAN WITH GOOD SERMON

March to Cemetery Followed
and Address Given at Op-
era House Later
On.

A large audience was present at
the Union Memorial service on last
Sunday morning at Gluck's opera
house. The stage was decorated
with the national colors. At one side
was placed the picture of Abraham
Lincoln, at the other the picture of
Ulysses S. Grant. Rev. Spiers, Rev.
Eells, Rev. Sorey and Rev. Cum-
mings occupied the stage. The
services were opened with the hymn
"Praise God From Whom all Bless-
ings Flow," sang by the choir from
the Presbyterian church and the
audience, with Mrs. R. W. Hellwarth
at the piano. After the invocation
by Rev. Spiers, the choir sang an-
other hymn, followed by a scripture
reading by Rev. Sorey. Prayer was
offered by Rev. Cummings, another
hymn was sung by the audience, and
an anthem by the choir.

The sermon which followed, de-
livered by Rev. A. M. Eells, of the
Presbyterian church, was an excellent
address. It is given on another page
in this paper, under its title, "Lessons
From The Past."

The morning exercises were closed
by singing "America," and after the
benediction, the audience stood in
their places until the members of the
Lewis Post No. 294, G. A. R., and
the Relief Corps passed from the
building.

Early in the afternoon the proce-
sion formed on Second avenue and
moved to the cemetery, where Mem-
orial exercises were held and the
graves of the soldiers were decorated
with flowers, in charge of the W. R. C.
At 4:30 in the afternoon the old
soldiers and citizens gathered again
at the opera house for the afternoon
exercises. The afternoon meeting
was in charge of Captain E. M.
Misner, and a choir upon the stage,
in charge of Mr. Sam Wilkinson
furnished special music for the oc-
casion. Lincoln's Address at Gettys-
burg was read by Comrade Frank
Chapman.

The Memorial address was made
by R. W. Evans Jr., of this city, on
the subject of "The American Vol-
unteer." Mr. Evans began with a
history of the origin and the purpose
of Decoration Day. The purpose, he
said was to revere the memory of the
heroes who have perpetuated the
spirit of liberty, and to teach the
lesson of patriotism to the growing
generation. The founding of the
first colony he said, implanted the
first germ of liberty in this country;
the first strong resentment to the
rule of the British government
marked the birth of the first volun-
teer soldier. Mr. Evans paid, in
turn, a tribute to the volunteer of the
Revolution and the Rebellion, en-
gaged Lincoln and Grant, whose
pictures were before him, and
pledged the honor of the younger gen-
eration to maintain what the veterans
had secured for the country.

Like the morning meeting the ex-
ercises were closed by singing
"America."

At Fort Dodge.

The Memorial services Sunday and
Monday were the most successful serv-
ices that have been held at the Fort. The
Rev. Eells gave the Memorial address
Sunday and Monday morning there was
an assembly call at Amusement Hall
that was answered by the G. A. R., U.
V. U., W. R. C., and L. of G. A. R.,
and the school children acting as flower

bearers. The services at the cemetery
were under the auspices of the G. A. R.
Music was furnished by the male quar-
tette and the graves of the departed were
decorated by the W. R. C., L. of G. A.
R. and the flower girls. In the afternoon
Rev. Sorey gave the Memorial address of
the day.

There have been seventeen new graves
made since the last decorating services.

BROWN'S IN TOWN

Mr. C. C. Brown, of Plains, repre-
senting the Farmers & Stockgrowers
Railroad Company was in Dodge
City today in interest of the proposed
new road from Dodge City to the
south west. He is preparing for a
trip over the proposed line this
month, when meetings will be held
in the different counties, and the
plans of the company explained to
the people. The plan, in general, is
to build the road by subscriptions of
the land owners, the amount sub-
scribed to be governed by the distance
of the land from any station on the
road.

The company desires a committee
from Dodge City to accompany Mr.
Brown and party on the trip, and
attend the meetings held in the dif-
ferent counties.

The road is to be built from Dodge
City through Gray, Haskell, Grant
and Stanton to the west line of Kan-
sas, and on to Trinidad, Colorado.
Mr. Brown will be in Dodge City
again in a short time to complete
arrangements for the trip. He is a
wealthy merchant and stockman who
is well known to many of the business
men here.

The Dodge City gun club held its shoot
for the week on Monday afternoon. In
a twenty five bird event the following
scores were made: Noble 23, McCurdy,
23, Vernon 21, W. Miller 23, Grese 18,
Baird 22, Jacoby 14, John Miller 20,
Wolf 14, States 18, Greeninger 18.

WE'LL FIT

Eight Men Out of Ten Without Alteration

Fit them at Every Point
of Their Physique

Special Models for
Special Figures....

Some cut for long slender people, some
especially designed for short Stubby folk.
Suits of extra girth for weighty men.
Then there are age fits as well. The
young men's clothes are different in spirit,
in model, in pattern, from those of their
elders. You'll find all these advantages in

Sincerity Clothes

And you'll find even more than this—you'll find the Sincerity label, which sets your mind at ease
about the future. Sincerity Clothes must give satisfaction or you must bring them back. All Sin-
cerity fabrics are thoroughly shrunk before they're cut into garments; shrunk by the London process,
which seasons cloth just as aging seasons timber. A house made of seasoned lumber won't sag out of
shape; a suit with the Sincerity mark in it won't either.

THE GLOBE
ANDERSON & ERHARD
CLOTHIERS

PRAISE OUR SINGERS.

Dodge City Folks are Complimented on Their
Part of Performance at Kinsley.

This week's Kinsley Mercury, in
the account of the presentation of
the Chimes of Normandy, has the
following to say of the Dodge City
singers who took part:

Mrs. Smith, the director, is a
singer of wide reputation and brought
to her task in Kinsley the art and
mental poise of native endowment
and extended Parisian training. It
is no small thing that the teachings
of the world's greatest vocal instruc-
tor, Madame Marchesi, should be
handed on to the young people of
this little prairie town, helping to de-
velop a musical enthusiasm that may
have frequent expression in presen-
tations of fine operas. Personally
Mrs. Smith has been a joy to every
member of the big cast. She is a
gentlewoman whose influence upon
the young is for all things good.

"Sei pollette," the high soprano
part, was beautifully sung and admir-
ably acted by Miss Eleanor Milton of
Dodge City, a great favorite here.
The entente cordiale which exists be-
tween these two sister towns makes
frequent "loans" at such times de-
lightfully feasible. Miss Milton has
gained in artistic poise since her last
local appearances. She was a most
beautiful picture in the borrowed
plumes of the Marchioness in the
last act.

Mr. John Powers of Dodge City,
the little chap with the soaring tenor,
played the dramatically thankless,
musically "fat" role of Grenicheux.
Mr. Powers has a voice of great pos-
sibilities, overshadowing those of any
other member of the cast. He will
go to St. Louis soon to prepare for
grand opera.

The orchestra, under the splendid
leadership of Mr. C. O. Aiton of
Lewis, did capital work. Special
praise was earned by Mrs. P. H.
Young of Dodge City who is a fine
pianist and gave unending labor to
the good cause. The Kinsley players
are particularly grateful to Mrs.
Young.
